

JOHAN NORDERYD

Office: Malmö

Title: Partner

Areas: Life Sciences Intellectual property IPR control

Email: [\[email protected\]](#)

Phone: +46 704 326 656

Johan specializes in IP with a focus on national and international trademarks, designs and patents. He also works with IP related contractual issues and litigation. Johan heads Lindahl's Intellectual Property group and is a member of the Life Sciences group. He is a member of the International Trademark Association (INTA) and serves on its committee on copyright piracy. He is also a member of the international trademark organizations Marques, AIPPI, ECTA and the Swedish Association for the Protection of Intellectual Property (SFIR).

"Johan Norderyd is an excellent attorney with enormous experience. Clients appreciate his calm, prudent manner with which he tackles most complex legal problems and solves them confidently, even under great pressure." (Legal 500)

"He always looks for right solutions, explains his thoughts clearly and understands things very quickly." (Chambers Europe)
